Intelligent Transport Systems

Type Approval

Certificate No:

ITS-TAN000137

Issued to:

KJ Precision Engineering

For:

Device Type	Motorway Emergency Telephone System 4G Quadrangular Housing		
TfNSW Specification:	TSI-SP-040	Version:	1.0

Summary Scope:

Product: Dritel Series 7 4G

Model : S74GHSRMS

Evaluation Reference:	ITS-EV00313	Approver	Snr Manager Specifications and Evaluations
Approver Signature:	<i>Raj J Roychoudhry</i>	Date	25/9/2023

A) Description and itemisation of the equipment covered by the Type Approval:

Product / Model : Dritel Series 7 4G / S74GHSRMS

4G Module : Quectel EC25-AUX Mini PCIe

B) Summary of deviations from specified requirements

Nil

C) Relevant Specifications, Drawings and Standards:

TfNSW Specification: TSI-SP-040 EMERGENCY TELEPHONE Issue 1.0

D) Conditions of use

Nil

E) Related Certification History.
